

GETTING STARTED WITH ALERT

Oil Chemical Pollutants and YOUR Health

-  Can oil-chemical exposures harm MY health?
-  Why are some people more susceptible to harm from oil-chemical exposures?
-  Does MY doctor know how to treat symptoms of oil-chemical exposures?
-  How does MY body respond to oil-chemical exposures?

DEEPER Dive with ALERT

Scan the QR Code for:

-  A primer on toxic trespass for individuals and communities and a guide to prepare for a visit with your doctor and health care team.
-  Exposure Self-Assessment and In-Depth Research on Chemical Intolerance
-  Stories of Community Exposure and ACTIONS
